*The New Castle Hundred Lions Club invites you to share the day with us!*

This is the 52nd show. 2023 was our biggest show even with changing the date due to the weather. We had added 60 Arts and Crafts spaces in 2023 and were full with 300 vendors for the 9/23/23 show date. After needing to change the date to 9/30/23, we lost some of our vendors with conflicts, picked up new vendors that last week, had a few no-shows but still had 240+ vendors show day. In 2022 we were full with 218 vendors.

Lions Club is an international service organization. Most of that service is for local communities. Our New Castle Hundred Lions Club (NCHLC) serves our community through a variety of activities such as the following:

- Prepare and distribute food baskets to those in need in December
- Aid with eye care including eye examinations and eyeglasses
- Lend medical equipment
- Provide a scholarship each year to a senior from William Penn High School

We have a Student of the Month Program during the school year that awards a \$1,000 college scholarship to one of these students. The recipient is then eligible to receive another \$1,000 each year after that provided his/her grades meet the club's requirements.

- Sponsor yearly Easter and Halloween parades for the City of New Castle
- Volunteer for community projects as they are presented

**While we have several fund-raising events each year, our biggest is Art on the Green.** It is costly to produce since we pay for free busing from remote parking areas, port-a-pots on site, city workers who spend the day helping, especially with trash cleanup, an announcer, signs, and print and electronic advertisements as well as other expenses. We hope that by having Sponsors much of our costs to produce Art on the Green can be covered, and **that way the money we raise from the vendors can go back into our community.**

Attached to this email is the information packet which includes the application form. We hope that you will view our website. Several thousand people attend Art on the Green each year. Please send in the application form as soon as possible. Therefore, depending on the level of sponsorship you choose, you will receive the "perks" when we receive your form. Please submit your application by April 1, 2024, to receive the full benefit from the various advertising we use. You may send the fee later as long as we receive it by August 1, 2024. You will also be able to use a credit card for payment for a small service fee and, if you use the credit card option, you can email your application to us.

**We look forward to seeing all of you on September 28, 2024, at Art on the Green!**

Yours in service, The New Castle Hundred Delaware Lions Club Foundation, Inc.
